			Same for weekdays, Sat., Sun. & public holidays	
	Science Center Workshop (Sundays and public holidays only)	Approx. 45 min.	3 times a day Reception: order of arrival (Max. of 16 each time) Aimed at elementary and junior high school students (fee required)	

Planetarium

A beautiful starry sky and dynamic, full-dome, surround images are projected onto the 18-meter-diameter dome. Enjoy 100 million shining stars thanks to the world's highest standard Chiron III projector.

A guide to the starry skies and space-related topics

Specialist staff provide live commentary on all programs, introducing that night's starry sky, and introduce monthly space-related topics. The programs change monthly, so please check the website.

Planetarium opening times
